Please find below and/or attached an Office communication concerning this application or proceeding.

NOTIFICATION OF NON-COMPLIANCE WITH THE REQUIREMENTS OF 37 CFR

1.192(c)

The brief does not contain a statement of the status of an amendment filed subsequent to the final rejection as required by 37 CFR 1.192(c)(4). The section "status of amendments" is not needed. ONLY amendments after final and their status are necessary . There have been no amendments after final in this application.

The brief includes a statement that claims 1 and 2 do not stand or fall together, but fails to present reasons in support thereof as required under 37 CFR 1.192(c)(7). MPEP § 1206.

The brief does not contain a concise statement of the issues presented for review as required by 37 CFR 1.192(c)(6) because there is no mention of the rejection of claim 1 under 35 USC 112, second paragraph. Applicant states in the "Status of Amendments" section that this rejection is not understood. This is not sufficient and arguments concerning this rejection still should be made. The brief does not contain, for each rejection under 35 U.S.C. 112, (second paragraph), an argument which specifies the errors in the rejection and how the claims particularly point out and distinctly claim the subject matter which applicant regards as the invention. (It is to be noted that applicant correctly amended the language in claim 1 concerning this type of language in other locations, but did not do so at line 50 of claim 1.) The brief does not contain arguments of the appellant with respect to each of the issues presented for review in 37 CFR 1.192(c)(6), and the basis therefor, with citations of the authorities,

statutes, and parts of the record relied on as required by 37 CFR 1.192(c)(8) as appellant did not include the rejection of claim 1 under 35 USC 112, second paragraph as an issue.

Appellant is required to comply with provisions of 37 CFR 1.192(c).

To avoid dismissal of the appeal, Appellant must comply with the provisions of 37 CFR 1.192(c) within the longest of any of the following TIME PERIODS: (1) ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing of this communication; (2) within the time period for reply to the action from which appeal has been taken; or (3) within two months from the date of the notice of appeal under 37 CFR 1.191. Extensions of these time periods may be granted under 37 CFR 1.136.

Telephone inquiries regarding the status of applications or other general questions, by persons entitled to the information, "should be directed to the group clerical personnel and not to the examiners. In as much as the official records and applications are located in the clerical section of the examining groups, the clerical personnel can readily provide status information without contacting the examiners", M.P.E.P. 203.08. The Group clerical receptionist number is (703) 308-1148.

If in receiving this Office Action it is apparent to applicant that certain documents are missing, e.g., copies of references cited, form PTO-1449, form PTO-892, etc., requests for copies of such papers or other general questions should be directed to
